2013 WISH LIST

WISH LIST ~ 2013

WISH LIST ~ 2013

The staff that work directly with the kids have requested the items listed on the next several pages. Intermountain serves many children in several different programs and that requires a lot of tools! The community and various donors have been so generous over the years and we once again ask you to consider giving in order to supply the items needed to help so many kids grow, play, learn, and heal.

Once again Christmas is upon us and we need help fulfilling the kids' Christmas wishes. Some churches set up Giving Trees for members to fulfill individual wishes. Some send in monetary donations specifically for Christmas gifts and we make the purchases. Last year one child's Christmas list was "adopted" by a generous stranger on the East Coast! If you would like to help bring Christmas to the children of Intermountain, please contact me to discuss a way to participate that is most convenient for you.

Any gifts should be new and unwrapped.... We'll do the wrapping for you!

Whether you are a part of supplying pajamas, toys, rocking chairs, musical instruments, or gift cards..... your gift touches the children directly and your generosity becomes part of their healing. Please wander through the following pages and consider partnering with us.

For your convenience we gladly accept cash donations and will purchase the items on the list you wish to provide. You may also mark your donation "Wish List" or "Urgent Needs" and we will purchase the most pressing items. In an effort to offer the children safe, high quality provisions that will last longer, we ask that only new items be gifted to Intermountain. Please feel free to contact me if you have any questions or would like more details about any of the items listed.

Thank you for supporting us through your gifts. May you and yours be richly blessed during this holiday season!

Beth Wheeler

Thank You

Your donations make a difference!

We hope you realize how much your gifts of needed items means to the children and staff caring for them. To the child who has never had a new winter coat and snow boots it is life-changing! For them to realize someone truly cares and the relief to know that they won't have to endure the cold weather without proper clothing this winter can change his/her entire attitude.

Everything you give helps to create the caring and comfortable environment the kids need to heal! You truly are a partner in changing and saving lives and keeping families together!

We thank you for supporting the needs of the children, cottages and programs of Intermountain. The holidays are an emotional time and your gifts of much-needed clothing, toys, household items help so much by providing the day-to-day necessities needed to continue their care and healing, while at the same time providing relief to our budget.

We know you have many choices when it comes to organizations to support and we are ever-more grateful for any and all items you are able to provide from this Wish List!

Thanks again and I wish you a happy holiday season!

Sincerely,

Kathy Miller

On-going and Urgent Needs:

If you or your organization would be willing to help bring Christmas to the kids served by Intermountain, please contact :
Beth Wheeler
(406) 457-4795,
bethw@intermountain.org

Seeking high school or adult volunteers to help keep the donations room organized by working on campus for a couple hours. One time or monthly. Contact Beth Wheeler (406) 457-4795

In an effort to provide the children safe, high quality provisions that will last longer, we ask that only new items be gifted to Intermountain.

- Urgent Needs:**
- Backpacks**
 - Winter Coats**
 - Snow Boots**
 - Snow-proof Gloves**
 - Snow Bibs**
 - Wool Socks**

For your convenience, we gladly accept cash gifts to purchase specific items on these wish lists. If you mark your donation "Wish List" or "Urgent Needs" we will purchase the most pressing items.

Always in need of comfy rocking chairs.....

Kids long to experience connection and soothing regardless of their age. To this end, our staff spend a lot of time rocking the children in our care. We put a lot of miles on our chairs and are always in need of oversized rocker/recliners that swivel. The cost is approximately \$550 each.
