

2017 Festival of Trees

Tabletop Trees & Wreaths

Designer Guidelines

Decorations

1. Artificial Trees & Wreaths

- No live trees or wreaths allowed. Intermountain will provide an artificial tree or wreath that you may pick up at the Bare Naked Tree Party at Valley Farms on **October 10th from 5-7PM.**
- All trees and wreaths must be picked up at Valley Farms during their regular business hours no later than October 30th.
- Decorated tabletop trees and wreaths should be delivered to the Civic Center during Decorating Day, **Tuesday November 28 from 7am-7pm**, and will be inspected during the Fire Marshal walkthrough.

2. Ornaments

- Ornaments should highlight your tree's theme.
- All ornaments must be wired on the tree using florist's wire or zip-ties.
- Glue multiple piece ornaments together to prevent them from falling apart . Hot glue works well
- Ornaments must be fire-proofed.

3. Displays

- Tree skirt must be provided and fire treated.
- All accessories displayed will be sold with the tree.
- Please do not tape anything to the ballroom floor or walls.
- Due to potential buyer allergies scents may not be added to tree displays.
- Loose glitter, confetti and artificial snow cannot be used.

4. Added value to your tree

- Added items displayed with your tree increase the sale value at auction.
- If you want to include gift cards or items of value with your tree, please coordinate with the Festival of Trees staff upon check-in on Decorating Day. These items will add to the fair market value of your tree – please keep track of the value of each item donated.
- All items displayed will be sold with your tree.

5. Lights

- UL approved lights only.
- Wired to tree.
