## WISH LIST ~ 2012

# 2012 WISH LIST

**intermountain**  
*restoring hope for children*  
**WISH LIST ~ 2012**

I have heard it said, "It is in giving that we receive." I have personally experienced within the last few weeks that in simply watching others give, we also receive. I have recently stepped into the role of Donations Coordinator and have already been touched beyond measure by the generosity of those who have a heart for giving to our kids. My heart has been warmed by the generous souls that donated goodies and funds towards making Halloween special for our kiddos. By the farmer who surprised the kids with a truck load of pumpkins. By the group of women who used their time and talent to make blankets that will cover toes and warm lives. By the churches that have called asking for wishes to fill through Giving Trees of their own. The list goes on.

While the holidays are very difficult for many of the kids Intermountain serves, it is also a time that provides plenty of opportunity for kids to practice just being kids. It is by the giving of our community and supporters like you that makes our work possible. Thank you in advance for providing for our programs and for being a part of our mission of "Restoring Hope for Children".

Included here are the Wish Lists of the Intermountain programs. The items listed are needs essential to our work with the children and we appreciate your willingness to provide.

If you prefer, you can find the list on our website, [www.intermountain.org](http://www.intermountain.org) under the "Support Us" tab at the top. The list is kept current to show what needs have been fulfilled and what new needs have surfaced.

In an effort to offer the children safe, high quality provisions that will last longer, we ask that only new items be gifted to Intermountain. Please feel free to contact me if you have any questions or would like more details about any of the items listed. You can reach me at (406) 457-4795 or by email at [bethw@intermountain.org](mailto:bethw@intermountain.org).

I thank you again for supporting us through your gifts. May this holiday season be a blessing to you and yours.

*Beth Wheeler*

Beth Wheeler

On behalf of the children thank you very much for all you do to support Intermountain. Your gifts of much-needed clothing, toys and goods provide the day-to-day necessities the children need. The pajamas to keep them warm at night, the toys to brighten their day and the kitchen supplies to assist the cottage staff to create a home-cooked meal for the kids. All of this helps to help create the caring and comfortable environment the kids need to heal! You are a partner in our healing and life-changing work and we appreciate your continued support

We continue to see a decline in toys, clothing and other necessities. If you or your church/civic group would like to arrange a specific toy drive or clothing drive on a convenient day for you, please contact me to make arrangements! Your generosity of providing any of the much-needed items included in this "Wish List" means so much. We couldn't do what we do for children without the support of people like you!

Thanks again and I wish you a happy holiday season!

Sincerely,

Kathy Miller  
Annual Giving Manager

P.S. In an effort to offer the children safe, high-quality equipment that will last longer, we ask that only new items be gifted to Intermountain. As for clothing, gently used is acceptable with the exception of shoes. Thank you!
