Silent Auction Designer Guidelines

1. Artificial Trees, Wreaths & Swag

- No live trees/wreaths/swag allowed. Intermountain will provide an artificial tree/wreath/swag that you may pick up at the Bare Naked (drive through) Tree Party. The BNTP will be in the Intermountain Residential Campus on **November 5 from 4-8pm**. 500 S. Lamborn Helena, MT.
- If you cannot attend the BNTP, all trees/wreaths/swag must be picked up at the Intermountain Development Office between 8:30am – 4pm no later than November 11th.
- Decorated tabletop trees/wreaths/swag are to be delivered to the Civic Center. **Due to Covid-19 restrictions, you will be given a drop off time via email. The drop off dates will be Nov 30 & Dec 1.**
- NEW!!** • **NEW LIGHTING INFO:** If your item needs to be plugged in, you will need to leave at least a 6 ft tail of lights at the bottom of your tree so that it can be plugged in directly to the nearest outlet as no extension cords will be allowed. Only UL approved lights may be used and must be wired on.

2. Ornaments

- Ornaments should highlight your item's theme & must be wired in place. Glue multiple piece ornaments together to prevent them from falling apart. Hot glue works well.
- Ornaments must be fire proofed. Fire retardant spray will be available for no cost at the BNTP.

3. Displays

- Tree skirt must be provided, and fire treated.
- All accessories displayed will be sold with the item.
- Please do not tape anything to the ballroom floor or walls.
- Due to potential buyer allergies, scents may not be added to displays.

4. Added value to your tree

- Added items displayed with your item increase the sale value at auction. Please advise FOT staff of valuable items upon check-in. These items will add to the fair market value of your item – please keep track of the value of each item donated.

5. **Donor Record Form** **must** be submitted on Decorating Day. Available on the FOT website.
